The bank has applicable processes and systems in place and in line with this policy for the purpose of Cheque collection. All the Instruments (cheques /demand drafts either local / outstation) deposited by eligible CASA plus customers for credit to their FPB accounts, shall be lodged through ICICI Bank, as per the arrangement between FPB and ICICI Bank. The process flow is briefly outlined hereunder:

- a. The FPB customer deposits/lodges/tenders the instruments at any of the FPB branch/ CSP / Drop Box during branch working hours.
- b. The FPB branches / Collection Center provides an acknowledgement to the customer for the cheque deposited and arranges for the submission of the cheques to the designated office of ICICI Bank for lodgment, on the same day of collection of cheques at the branch/CSP or maximum by T+1.
- c. ICICI Bank forwards the instruments to the respective CTS grid for realization.
- d. Upon receipt of cheque deposition report from ICICI bank, the bank processes the shadow credit to customer's account
- e. Upon receipt of realization report from ICICI bank, customer account will be finally credited for cleared cases.

In case of return of the instrument, ICICI Bank sends the physical cheque with a memo detailing reasons for the return. Cheque return charges shall be levied only in cases where the customer is at fault and is responsible for such returns and as per schedule of charges. The illustrative list of reasons for returns, where the customers are not at fault is attached as **Annexure 1.**

The policy shall be made available on Bank's website, besides displaying its salient features on the notice board of the branches/CSPs.

The Banks processes and systems shall be suitably modified in case FPB starts participating in CTS clearing as a direct or indirect member in future.

3. Time Frame for collection of instruments

As the Bank is utilizing the services of ICICI Bank offices across various locations, the overall timeline for such cheque collection shall be subject to following:

The payment of interest, if any, for delayed collection of cheques is dealt with as per Bank's Customer Service Policy and the prevailing RBI guidelines. The Bank's policy currently prescribes compensation at Bank's Savings Bank Interest Rate for the delay, if any.

CTS compliant instruments: The period of delay is calculated, in case the delay is over and above T+4 working days from the date of lodgment till the date of credit to customer account, has for the processes and systems in place to process such delay cases. The basis for the above mentioned TAT is as follows:

- T is date of lodgment of the cheque at FPB
- T+2 is the date of lodgment in CTS clearing by ICICI Bank

Fino Payments Bank uses the services of ICICI Bank for collection of outstation instruments. Period for payment of interest for delayed credit is governed by the provisions of the agreement with ICICI Bank.
